Your guide to UK education

Preschool (Ages 3-5)

Children are taught the Early Years Foundation stage at nursery school, preschool and in reception year. Many parents buy learning books to help and encourage their child to write, read and count.

PAW Patrol Activity Books	4-5
Collins easy learning	6-9

Primary (Ages 5-11)

From Year 1, children are taught the Primary National Curriculum. In Year 1, children take a Phonics Screening Check. At the end of Years 2 and 6, they sit SATs in maths and reading, writing, grammar, punctuation and spelling. In Year 4, children take a Multiplication Tables Check. Many parents will buy practice books to prepare for the tests.

Minecraft Workbooks	10-11
Home Learning	12-14
SATs Practice	15-17

During the holidays, parents buy activity books to keep little ones practising while they are off school.

Collins easy learning	6-9
-----------------------------	-----

The 11+

In counties with Grammar Schools, many children will sit an 11+ exam in the autumn of Year 6. Parents start to prepare their children in the January of Year 5 or even earlier to ensure they are fully prepared for the test and compete for a place.

Collins 11+ Practice	18-20
----------------------------	-------

Secondary (Ages 11-18)

The first three years of secondary school are used to prepare the ground for GCSEs in the two years that follow Key Stage 3. Children can sit GCSE 9-1 exams in Year 10 and Year 11, depending on the school. Children that go on to study at A level sit exams in Years 12 and 13. Many parents and students will buy revision guides and practice papers to prepare for exams.

Collins KS3 Revision and Practice	21 - 22
White Rose Maths GCSE Revision	23

Collins easy learning

REFRESHED DESIGN

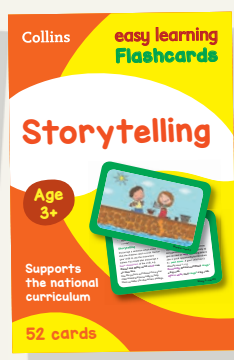

AGES 3-11

Fully in line with the National Curriculum, Collins easy learning provides parents with reassurance whilst supporting their child's learning at home.

- Help boost confidence and develop good learning habits for life
- Colourful, motivating activities make learning fun
- Helpful tips and answers are included so that parents can support their child's learning

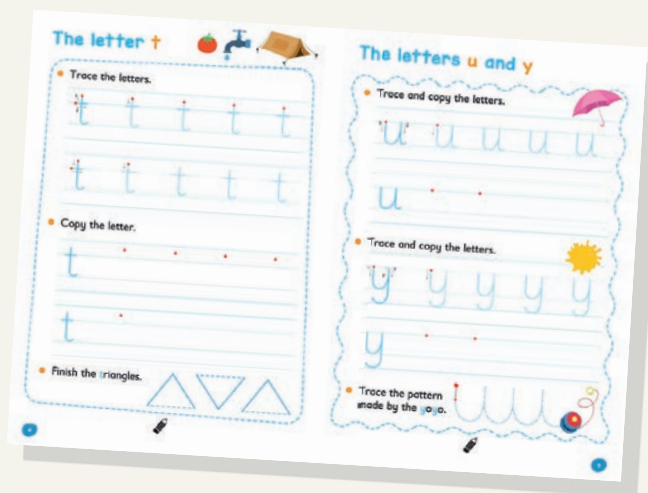

Flashcards

Packed with colourful pictures and words, these educational flashcards are a fun and easy way to learn! They help children recognise letters, numbers and first words and build their confidence at home.

Wipe-clean Activity Books

Children are introduced to writing letters and numbers using these fun and engaging wipe-clean activity books. They will learn to hold a pen correctly and build up letter and number skills with activities they can do over and over again.

Collins easy learning

AGES 3-11

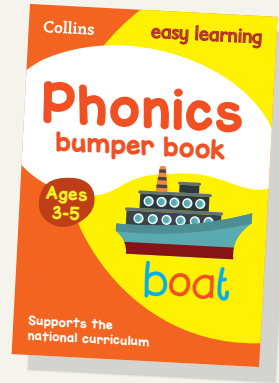

Maths and English Activity Books

Activity books to really help children practise important skills learned at school and boost progress at every stage of their learning.

Bumper Books

Combining practice with engaging, colourful illustrations, these bumper books help to boost children's confidence and support learning at home.

Money

Finding totals and change from £1

Four children bought some items from a beach shop.

- How much did each child spend at the beach shop?
- How much change did each child get from £1?

Money spent Change

Game: Buy an ice cream

You need a paper clip, a pencil, paper.

- Each player should choose an ice cream to buy.
- Two players to spin the spinner twice. Add the two amounts together and write down the total amount of money you now have.
- Keep on taking turns, each time adding the amount to the money you already have.
- The winner is the first player who can afford to buy the ice cream of their choice!

Buying a beach ball

Aria wants to buy a beach ball. She has the following coins:

- Write two different ways she can pay for the beach ball using just these coins, without any change.

What you need to know: All the coins you should be learning to know about money problems. But you can't use a coin that is smaller than the money you need. For example, if you have a 10p coin, you can't use it to buy something that costs 5p. You can't use a 10p coin to buy something that costs 15p. You can't use a 10p coin to buy something that costs 20p.

Phonic sound b

b, as in ball

The small pictures show 10 things that start with the b sound. Look for these things in the big picture. Tick (✓) each one that you find.

Phonic sound f and ff

f, as in fish and ff, as in puff

Colour each section with a picture that starts with the f sound.

Each of the pictures below has the ff sound. Join the dots to finish the word.

coffee muffin puffin

NUMBER AND PLACE VALUE

NUMBER AND PLACE VALUE

THE PLAINS: A GREAT BASE

The plains are large places to explore. With lots of flat grass, it's a great place to build a house. Chickens can be heard clucking; sheep, pigs and cows crowd under oak and birch trees which grow everywhere. Sometimes bees can be seen moving from flowers to their hive to make yummy honey.

LOTS TO FIND

There aren't many hills in the plains, but you'll find rivers filled with salmon swimming around. Along the river, sugar cane grows high. Everything in the plains is helpful. There are materials everywhere.

CREEPY NIGHTS

The plains can be dangerous at night. When it gets dark, all kinds of mobs come out to cause trouble. Zombies shuffle slowly, spiders climb nearby trees and skeletons fire arrows from far away. Creepers might be the scariest as they can explode when they get too close.

GETTING GOING

Jacob has spawned into the plains. He has nothing in his inventory, and he needs a place to live. Looking around, Jacob spots another adventurer. It's Call! They decide to work together to build, craft and harvest. First, Jacob needs to find a good spot for his house...

NUMBERS AND COUNTING

Jacob starts to explore the plains. He finds a great spot to build a wooden house. Before he can start, he will need a crafting table.

1 Jacob collects some wood to make planks. He will make a crafting table from the planks. The planks are shown in the picture.
How many planks does Jacob use?

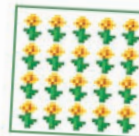

Jacob wants to plant some flowers in the grass around his house. Flowers can be used to make dyes. Dyes can be used to change the colour of different things.

2 Draw a line to join each box with the correct picture.

12 tulips

16 poppies

20 dandelions

COLOUR IN HOW MANY EMERALDS YOU EARNED

CREATIVE WRITING

PLANNING 2

All writing should aim to be interesting for the reader. Whether it is a simple story for three-year-olds or a complicated non-fiction text for an adult, it must be planned to include ideas and information that the audience will want to hear or find out about. This all needs careful planning and thinking about the ideas to include.

If Sami and Kim are going to craft a conduit, they will need a lot more nautilus shells. Luckily Sami and Kim know all about drowned and where to find them.

1 Shade in the four boxes which contain an idea that would be **unsuitable** for a book about mobs.

- villagers
- zombies
- creepers
- beetroot
- ore
- spiders
- mining
- cows
- shipwrecks
- drowned

2 Read the ideas below for a story about Sami in the deep ocean. Which would you be most likely to include? Tick two.

- Sea creatures
- Sami's favourite food
- Sami's farming abilities
- Sami's swimming skills

Sami and Kim decide to split up to try to find more drowned to battle with. They each drink their Potion of Water Breathing to stay underwater for longer.

3 Which of these ideas would you be most likely to include in a story about Kim in the deep ocean? Tick three.

The scene is described with lots of detail about the ocean Kim can see – a nearby shipwreck and dolphins.

Kim discovers an underwater ruin, but danger is not far away as drowned start to approach.

Kim reaches the top of the mountain. She can see the village where she will find shelter and food.

Kim wonders if the enemies will drop more nautilus shells, and worries that she will run out of breath.

4 Write three subheadings you might use in a book about the deep ocean.

Reading - Comprehension

Types of Poetry

Challenge 1

1 Draw lines to match the poem types to their descriptions.

acrostic	A three-line poem with each line having a set number of syllables. It originated in Japan.
haiku	A poem with a word written vertically and each line of the poem beginning with a letter of the word.
limerick	A poem that makes no sense but can sound interesting or amusing.
nonsense	A poem without a regular rhyming pattern or regular verses which can use ideas in any order.
non-rhyming	A humorous poem of five lines with a special rhyming pattern.

Marks /5

Challenge 2

1 What sort of poems are the following?

a) There was an old man with a beard
Who said, "It is just as I feared!
Four larks and a wren,
Two owls and a hen,
Have just built a nest in my beard!"

This is a _____

c) An old silent pond...
A frog jumps into the pond,
Splash! Silence again.

This is a _____

b) **This Is Just To Say**
I have eaten
the plums
that were in
the icebox
and which
you were probably
saving
for breakfast
Forgive me
they were delicious
so sweet
and so cold

This is a _____

Marks /3

Reading - Comprehension

Types of Poetry

Challenge 3

1 Here is an extract from a narrative poem. Read it carefully and answer the questions.

Half a league, half a league, Half a league onward, All in the valley of Death Rode the six hundred. "Forward, the Light Brigade! Charge for the guns!" he said: Into the valley of Death Rode the six hundred.	"Forward, the Light Brigade!" Was there a man dismayed? Not tho' the soldier knew Someone had blundered: Theirs not to make reply, Theirs not to reason why, Theirs but to do and die: Into the valley of Death Rode the six hundred.
--	---

a) What lines are repeated in each verse?

b) What were the riders told to 'charge' for?

c) Were the men dismayed at the order?

d) What does the poet say that, as soldiers, they have to do?

e) Which line tells you that the poet thought the 'Charge for the guns!' was a mistake?

Marks /5

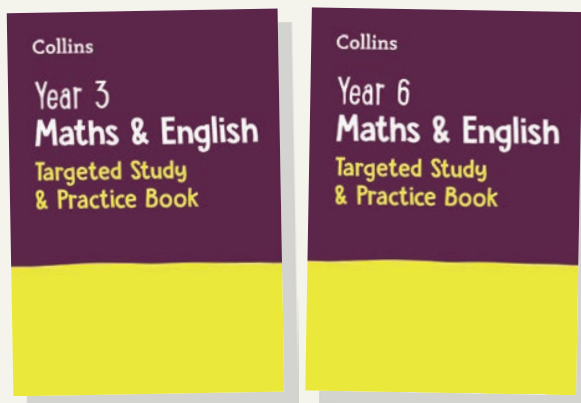

Total marks /3 How am I doing? 😊 😐 😞
